CONGRATULATIONS GRADUATES!

I remember when Nick and I shot Art Neil two consecutive times with spit wads at Districts in '95. We were at the top of the bleachers and Art was in the entrance about 75 ft. away, in a crowd, and holding a camera on his shoulder. Two times out of three we hit him in the head. ~Josh Dashkovitz

The best time was when Melissa Beyersdorf, Tonya Steele, Sarah George, and I spent the night at Stacey Lamb's and Nick LaDrig, Jeremy Moon, Jeremy Munger, Jerhemy Nelson, and Matt Dubay knocked on the door and climbed on the roof. Someone ended up peeing their pants.
~Wendy Barron

I'll never forget when Matt Forsberg licked orange juice off my kitchen floor while on his hands and knees. ~Stacey Lamb

In 6th grade, for some reason, Chris Reisinger was always really mean to me. He used to make me really mad and Jayson Graebner, of all people, stood up for me.
~Libby Kanouse

I remember our Freshman Nobleman's. Tonya, Rebecca, and I went with Joe Beyer, Nick Rapin, and Jon Steep. We went out to eat at Chi-Chi's. We told them it was Jon's birthday, and we all got free ice cream.
~Angela Daughenbaugh

I remember when we were in 5th grade and we had the battle of the sexes. Doug McGaw and Brian Ray were going to fight each other. Kristi Cain made tickets to watch the fight. The three of them along with most of Mr. Freeman's class got called down to the office.
~Rebecca Franz

I remember when Joel wore a "Football Mom" sweatshirt to school. ~Toni Ontiveros

I remember when Stacey's ex-step mom accused me and Sarah of smoking on her lawn.
~Kari Kasper

I remember when we were at Munger's and we were running from the seniors. Moon went nuts and ran up the basketball pole, jumped off the car, and posed like the scarecrow that Munger has in his yard.
~Melissa Beyersdorf

Exchange Student

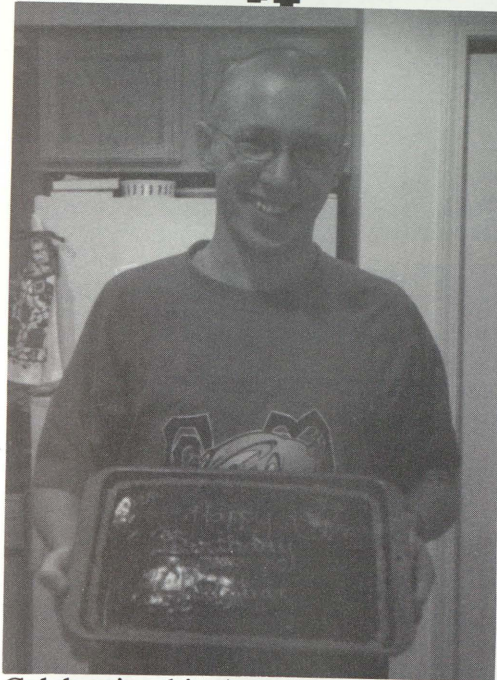

Hello,

When you read that I'm already back in Germany and probably want to come back. I felt kind of strange here the first month because everything was new and different. But then I started to get bored and I wanted to go back very bad. And what happened at the end of my stay I found some friends and didn't want to leave any more. Right now I feel terrible that I have to leave in one month. Most of the people in school were very nice to me and I can't be thankful enough for that.

I saw here how big America was and realized how small Germany is. The place I liked the most was New York but Freeland is also pretty cool, HEHE! I wish I could turn the time back and do everything over but different. I hope some people stay in touch with me. I will answer every letter. Thanks again for the great time Freeland gave me!

Mom

Marianne,
To our "brown-eyed girl". We are so proud of you. We know you will succeed in whatever you choose to do in life. We hope your high school years were as much fun for you as they were for us. We love you very much.
Love,
Mom and Dad

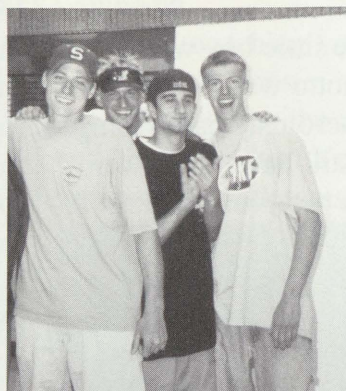

Tonya,
It seems only yesterday you were the little girl in this picture. We loved watching you play basketball! We are so proud of you! May your dreams all come true.
God bless you,
Love,
Mom and Dad

Success

To laugh often and much;
to win the respect of intelligent people
and the affection of children;
to earn the appreciation of honest critics
and to endure the betrayal of false
friends, to appreciate beauty, to find
the best in others;
to leave the world a bit better, whether
by a healthy child, a garden patch or
a redeemed social condition;
to know even one life has breathed easier
because you have lived.
This is to have succeeded.

Ralph Waldo Emerson

**Mr. Hennink made a huge impact on
our school and community. His loss
is felt deeply. Words can't express
how much he will be missed.**

My Friend

Wherever you may go
In this life and beyond
May you walk
in the light
Knowing you are loved.
For you are my friend,
A warm and gentle spirit
Bringing love and laughter
to all who meet you.
Your life is a gift
You share with the world
and my life is richer
because I have known you.

The Positive Peers have been busy again this year. Some of the projects they have worked on include: The Haunted House for Food Project; Prevention and Youth Services Prevention Training; The Chamber of Commerce Halloween Party; The Christmas Food Drive; Regional Teen Institute; The Junior High Dance/Parenting Seminar; and always positive lifestyles modeling. The Positive Peer Group is one of the most important groups we have in the high school. The Peer leadership that is provided by its members is invaluable to the substance abuse prevention efforts that are planned each and every year. Each and every Positive Peer signs a Pledge of Abstinence promising to refrain from any alcohol or other drug use. The Positive Peers are sponsored by Mr. Maxwell and Mrs. Kolbe.

You Will Be Missed!

The retirees are happy to leave, but sad to say goodbye.

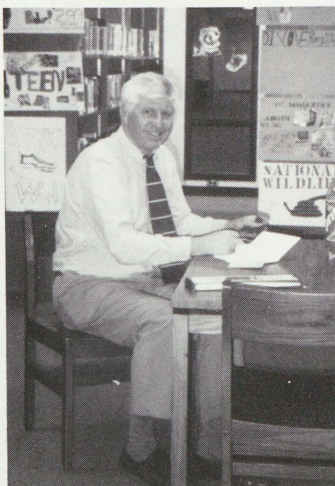

Mr. Judd Terwilliger

Mr. Terwilliger spent 32 years teaching and coaching at Freeland High School. Parents of current students remember having him as a teacher! He was highly respected by students, faculty, and community for his dedicated service to Freeland High School.

Mr. Dan Jacobi

Mr. Jacobi will be greatly missed in the Guidance office. He spent 27 years helping students discover the direction they wanted their futures to take. He helped students write college applications and obtain scholarships and financial aid. He was also the Student Council Advisor.

Mr. George Ihler

Mr. Ihler wasn't at Freeland many years, but in his 5 years here he made a big impact. He was one of the finest coaches Freeland has seen, leading the football team to many wins. He was also looked up to by many students as their Assistant Principal. He was affectionately titled "G.I." and "The Enforcer."

Thank you for everything you've done.

The sprint to the field.

Team captains in a pre-game chat.

The Varsity football team had an extremely successful 1998 football season finishing with a record of 9-3. After a discouraging 1-2 start the team pulled together to win exciting games over rival Swan Valley, Merrill, St. Charles, and St. Louis during a 6 game regular season winning streak. This 7-2 record was good enough to put the team into the playoffs. They first traveled to Muskegon Oakridge to put a 27-0 pounding on the defending state champions. This brought Ithaca to Freeland to play for the regional championship. After an exciting 7-7 game the Falcons scored first in overtime and held Ithaca to win the thriller 14-7 making this only the third time in school history for a regional title in football. The team then moved onto the semi-finals where they met Whittemore Prescott at Bay City Western. However, the team came up short falling 52-7. Throughout the season the team overcame one hurdle after another to post one of the best seasons in school history. Along the way Mr. Ihler achieved his 200th win along with being chosen Lion's coach of the week.

State

The 1998 season was a dream come true for 13 girls at Freeland Jr/Sr High School. They started working hard in June and their season ended December 5th at Rose Arena on the CMU campus with a State Class C Championship. Along the way they won the school's second TVC Championship and first District and Regional crowns.

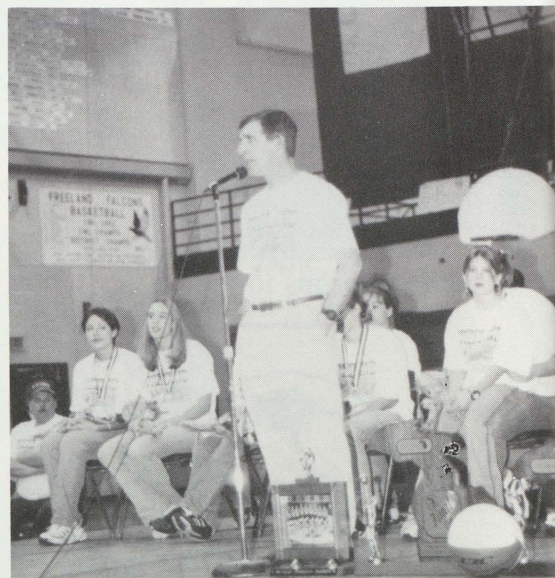

Mr. "O"

"To be the best you have to be better than the best" could be the motto for their great 1998 season. The team excelled on the court and in the classroom. Their 3.62 team grade point average placed them 10th in the State for class C schools.

Thanks for the exciting year.
